I turn AI into concrete commercial leverage — not a buzzword. *I prospect, code my own tools, and ship products that sell. Founder of AdDetective, currently BizDev at Roofwander.*

PROFESSIONAL EXPERIENCE

Business Developer & Partnerships March 2026 — Present · 2 mo
Roofwander · Internship · Brussels, Belgium · Outdoor marketplace

- Lead B2B outbound prospecting with outdoor retailers and brands — **pipeline built from zero**, first partnerships signed in under 30 days
- Onboard owners onto the platform and design supply-side acquisition playbooks (growth)
- Deploy the CRM, formalize the sales process and the team's follow-up routines
- Build AI automations (Claude, VS Code) that **qualify leads and enrich the CRM** — estimated time saved: ~50% on sourcing

Founder — AI SaaS Jan. 2026 — Present
AdDetective · Entrepreneurial project · Marseille · SaaS · Solo founder

- **Designed, built and shipped solo** a SaaS that analyzes real-estate and vehicle listings — from prototype to production in a few weeks
- Returns a **risk score and a negotiation margin in 30 seconds** via AI analysis of text + photos
- Stack: React / Vite / TypeScript / Supabase / Stripe / Firecrawl / Claude · full-stack architecture owned end-to-end
- Drive acquisition (SEO, content) and iterate on the product based on user feedback

Boat Manager Apr. — Aug. 2025 · 5 mo
ADAY BOAT · Internship · Lège-Cap-Ferret

- Ran a nautical base at peak season across a **fleet of 11 boats**
- Handled **200+ rentals end-to-end**: check-in, contracts, safety briefing, incident management

Boat Manager Jul. — Aug. 2024
ZEBOAT Marseille · Fixed-term · Vieux-Port — Managed ~19 boats, **200+ rentals in 2 months**.

Co-founder — MaPetiteCoquille March 2023 — Jul. 2024
DTC phone-case brand inspired by Marseille, **co-founded at 17** — branding, product design, e-commerce.

Head of Events Jan. 2025 — Jan. 2026
BDE Esscalibur · ESSCA Bordeaux — Ran integration parties and weekends, coordinated teams and external vendors.
